How Great Thou Art

Stuart K. Hine
(1899-1989)

1. O Lord my God, when I in awesome wonder consider all the worlds Thy hands have made, I see the stars, I hear the rolling thunder Thy power through out the universe displayed. Then sings my soul, my Savior God, to Thee: How great Thou art.
Then sings my soul, my Saviour God, to Thee: How great Thou art, how great Thou art!

2. And when I think of God, His Son not sparing
Sent Him to die, I scarce can take it in
That on the Cross, my burden gladly bearing
He bled and died to take away my sin

Then sings my soul, ...
How Great Thou Art

(1899-1989)

1. O Lord my God, when I in awesome wonder consider all the worlds Thy hands have made, I see the stars, I hear the rolling thunder Thy power through

out the universe displayed. Then sings my soul, my Savior God, to Thee: How great Thou art, how great Thou art! Then sings my soul, my Savior God, to Thee: How great Thou art!
Outro

O Lord, my God, when I in awesome wonder
Consider all the worlds Thy Hands have made
I see the stars, I hear the rolling thunder
Thy power throughout the universe displayed

Then sings my soul, my Saviour God, to Thee
How great Thou art, how great Thou art
Then sings my soul, my Saviour God, to Thee
How great Thou art, how great Thou art

And when I think of God, His Son not sparing
Sent Him to die, I scarce can take it in
That on the Cross, my burden gladly bearing
He bled and died to take away my sin

Then sings my soul, ...
Practice Tip Sheet

The Big 5:
1. Reduce work with posture and high dynamic energy
2. Troubleshoot - Everything should be easy
3. Breathe
4. Trust yourself to play accurately and musically inspired (instead of judging)
5. Always play as a gift to yourself and others

The Main Practice Areas:
1. Technique - Abilities, Movements, Chords, Scales, Patterns, Exercises, etc.
2. New Notes - One new piece of music at a time
3. Tricky Spots - Detailing small sections of pieces
4. Repertoire Maintenance - Pieces you already know
5. Sight-Reading practice - note recognition/playing; clapping/counting rhythms

The 7 Steps to Learn Any Piece:
1. Make small sections
2. Know all the notes and musical markings
3. Clap and count the rhythm aloud
4. Play the right hand alone, counting aloud
5. Play the left hand alone, counting aloud
6. Play hands together, taking corrective pauses (no mistakes!)
7. Play hands together in rhythm, with slow metronome

Musical Starting Points:
1. Know which notes are melody (probably stems up), and play the others quieter
2. Connect all melody notes smoothly (no gaps)
3. When a musical line or melody goes up in pitch, get quieter
4. When a musical line or melody goes down in pitch, get louder
5. Don’t let the high notes stand out (any note higher than those before and after)

Practice Tips:
1. Before slowing down or speeding up (rubato) master it at a steady pace.
2. For tricky spots, state out loud exactly what the problem is, in every detail.
3. Memorize every piece (even if you don’t, you’ll learn it faster if you try)
4. Have a purpose behind each repetition (blind repetitions are lazy practice).
5. Video yourself for performance practice and to hear what is and is not working.
